## Importing ExamView Questions into Moodle Question Bank

- 1. Download Moodle XML Builder
  - a. It is free at:

http://www.softpedia.com/get/Others/Home-Education/Moodle-XML-Builder.shtml

- 2. Create quiz/test in ExamView
  - a. Export as Blackboard File
    - i. File  $\rightarrow$  Export  $\rightarrow$  Blackboard 6.0+

Export to Blackboard	6.0+
	Pool Information
	Enter the name of the question pool in the space provided below.
	Name: TEST
	Optional: Enter a description for the question pool in the space provided below.
	Description:
	Formatting: HTML
Bb	Feedback: Use ExamView Rationale 🔹
	Images
Blackboard™	Enter the directory name for images. Use a name that is unique for this question pool.
	Directory Name: TEST pics
	Help OK Cancel
Version 2.0.2	

- ii. Name your questions
- iii. In the directory name, it's suggested that you use the same name as above with the word "pics" added to it.
- iv. A zipped file has now been placed on the desktop.

- 1			_
